As Team Leader for the Honolulu NEPA Review, Liz needs to clear this up. It might help if you (and me too if you want) would have a initial call explaining the TPE-led Team approach (collaborative, but aggressive), the schedule, steps, assignments, etc. Region IX, TCC and Jim Ryan and Beth Day should be on the call. Weekly or even more frequent calls will be necessary.

Is it your understanding that we can go ahead with the PA immediately and deal with changes later, including the APE letter to the SHPO?

PS—I spoke with Leslie and he understands that Liz is the lead. I'm not sure that TCC has gotten the message. You or I could send out the invitation to the first call, explaining the organizational mechanics to all the invitees.

I don't think Peter wants to get involved in the minutia, Susan.

I think we need to vet this with Peter. Ray, you may need to tell Toru you spoke too soon.

Yesterday, we told Toru that we would make a strong effort to get this letter out today. Toru wants the 30-day clock to start ticking.
